Diversification

With new premises, it was time to grow. HCG began to offer school and satellite programmes. We not only took gymnastics out into the community, but welcomed the community into our facility.

Gymsports Festivals have grown and grown from small gymnastics competitions to Regional Festivals with over 400 kids in attendance.

Hamilton City Gymsports is travelling out to schools to provide Lunchtime programmes. Many schools, kindergartens, daycares and community groups are choosing to visit HCG for a variety of programmes.

Holiday Programmes are becoming more and more popular as more parents are working full time. In December 2012 HCG gained Oscar accreditation. This saw our Holiday Programme numbers soar in 2013 and reach our maximum of 50 kids a day.

And where better to have your Birthday Party than at Hamilton City Gymsports!
